

Memorandum of Understanding
Between
THE SHAHID BEHESHTI UNIVERISTY (IR. of IRAN)
AND
THE UNIVERSITY OF CAMERINO (ITALY)

In the full awareness of the general mission with which they have been invested, namely the advancement and dissemination of knowledge and also mindful of the need to advance the cause of humanity and understanding between peoples and in consideration of the wishes of our respective governments to strengthen the ties of friendship and cooperation, the **Shahid Beheshti University (Iran)** and the **University of Camerino (Italy)** legally represented by their Presidents; **Professor Mohammad Mehdi Tehranchi** resident for this appointment in Shahid Beheshti University and **Professor Flavio Corradini** resident for this appointment in Camerino, Piazza Cavour n. 19/f, have agreed the following:

1. Both Universities undertake to promote the wholehearted cooperation of their various departments and administrative structures.
2. This cooperation shall take the following forms:
 - Exchange of teaching and research staff
 - Joint scientific research
 - Exchange of scientific papers and publications
 - Exchange of information concerning academic administrative practices and experiences
 - Traineeships and student visits
 - Participation in evaluation committees
 - Cultural and sporting exchanges.
3. The exchange of teaching staff shall reflect the needs and personnel availability obtaining in both universities and will take the form of teaching assignments of short to medium duration. Each University will make available a group of teachers comprising various levels of academic seniority and specialization.
4. Both Universities shall foster cooperation in research and especially in the exchange of researchers, shall support joint research projects and make available all the facilities and equipment employed in such research.
5. Both Universities shall exchange on a regular basis scientific papers and information. They shall also arrange conferences, seminars and other scientific meetings of mutual interest.
6. Both Universities shall share their experience in administrative matters, especially in connection with the organization of visits for the purpose of study and work and in connection with the further training of academic and administrative staff.
7. Both Universities shall encourage and foster researcher and student exchange in respect of both travel for the purpose of scientific study and of training in

- laboratory practices in the relevant institutes of both entities.
8. The two Universities agree to organize regular events to enhance reciprocal exchanges between them.
 9. The development of this cooperation between the two universities shall be the subject of a long term agreement with annual programs to be mutually planned and presented to the relevant administrative authorities.
 10. All financial requests and the means of financing envisaged for any element of the program that may be wholly undertaken by one of the parties acting alone shall be entered in the appropriate financial schedules which will be attached to this document.
 11. All programs, accompanied by the appropriate financial schedules, to be presented, at the time of their adoption by the two Universities, to the national bodies and organizations of both countries that are deemed to be capable of financially supporting or otherwise furthering any part of the cultural or scientific activities envisaged in the program. This practice shall apply to the awarding of bursaries and of credits for conferences, scientific and study assignments, research and teaching.
 12. A written report shall be produced annually by each University which will be sent to the other University together with any suggestions for improvements.
 13. In order to join common scientific activities in both universities with industries, the accepted proposals for industries are financially supported by the University of Camerino.
 14. This Memorandum of Understanding of cooperation shall take effect from the time of signature.

The term is for five years to be renewed by tacit agreement unless one of the parties expresses to the contrary no later than the first of every July in order that this dissolution be effective as of the following thirty first of December. This agreement may be modified by common agreement and such modifications should also be agreed by the first of every July in order that they may be effective at the start of the next accounting period.
